

LOHMANN SILVER

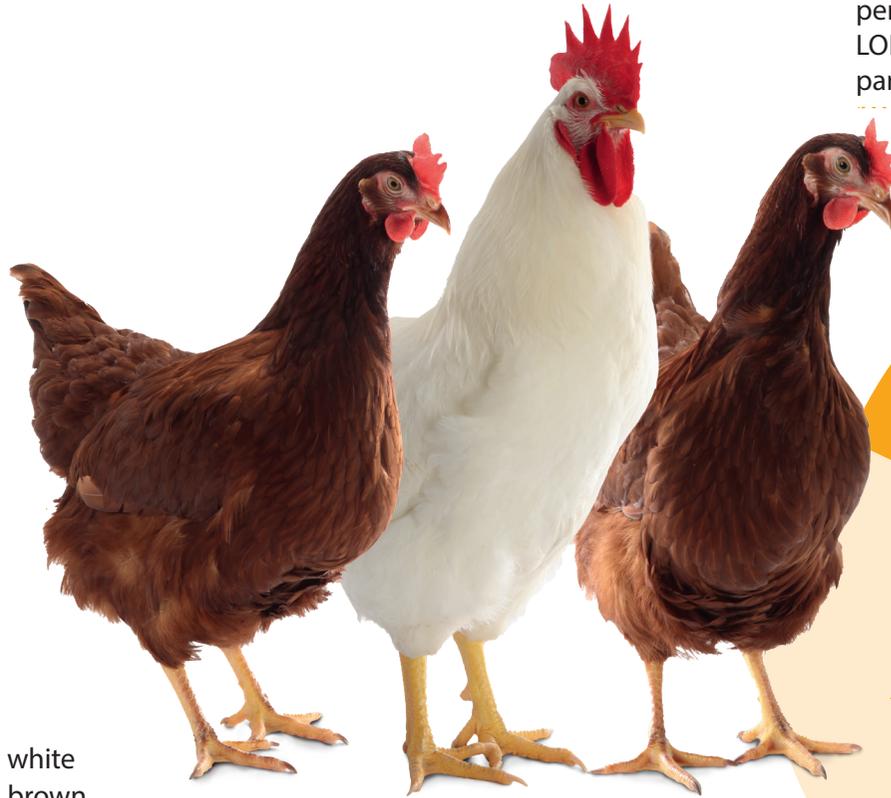

PARENT STOCK

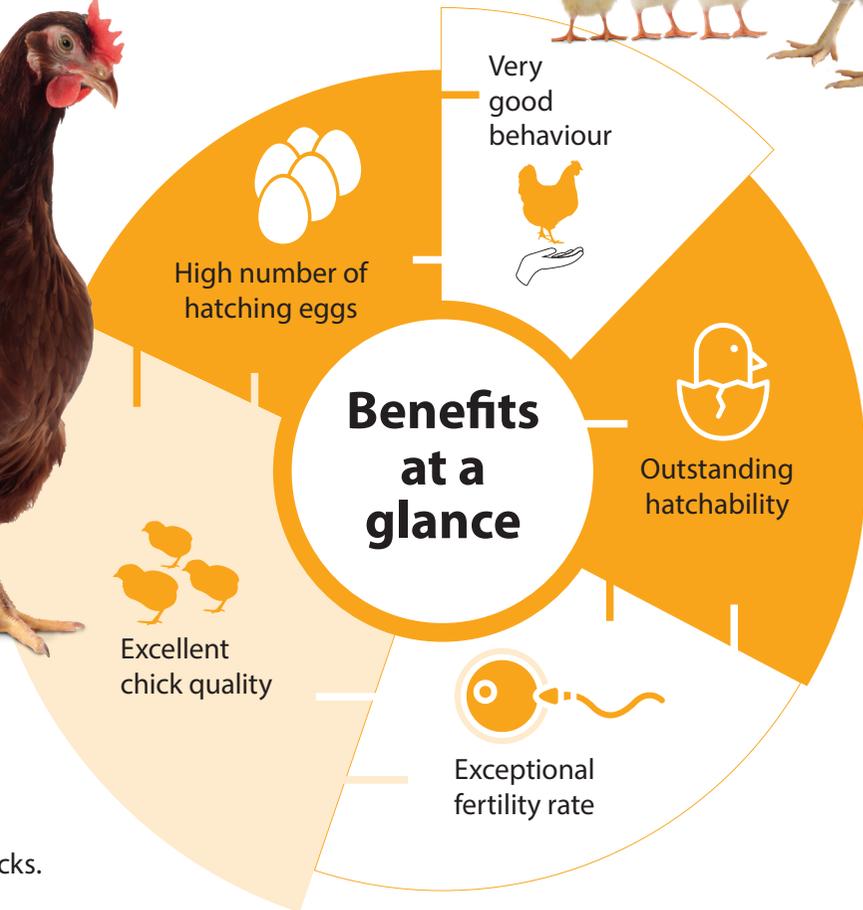

We are constantly improving the performance traits of our LOHMANN BREEDERS parent stock and their offsprings.

LOHMANN SILVER is a white feathered layer with a brown egg color and an increased body weight. The egg weight is lower compared to the LOHMANN Brown-Classic-hen.

With a very high number of hatchable eggs combined with an outstanding hatching rate, LOHMANN BREEDERS parent stock selected to achieve the highest level of saleable day-old chicks.

Breeding for success... together!
