Last week we held our LOHMANN School Cage Free event in Cuxhaven with participants from 13 countries, from 5 continents. It was a great opportunity to learn about the latest advancements and best practices in cage-free egg production, all set against the beautiful backdrop of the North Sea. Thank you to everyone who joined us for the insightful discussions and knowledge sharing!

As we all know, also in free-range... our outstanding EGG QUALITY of our LOHMANN breeds speaks for itself for more than sixty years..

We recently had the pleasure of hosting our second visitor group this year at the LOHMANN BREEDERS headquarters! Representatives from LOHMANN Deutschland and AGRAVIS Raiffeisen AG joined us for a two-day visit filled with insightful discussions and knowledge sharing.

During their time with us, we had the opportunity to exchange ideas and deepen our understanding of the industry. It was a fantastic opportunity to connect with like-minded professionals and strengthen our collaborative efforts.

We're grateful for the visit from LOHMANN DEUTSCHLAND and AGRAVIS, and we look forward to continued partnership and mutual growth. Stay tuned for more updates as we continue to innovate and drive positive change in the poultry breeding industry!
