

NEW FACES, NEW PERSPECTIVES

WELCOME TO THE TEAM!

We are delighted to introduce the new members of our team who have recently joined LOHMANN BREEDERS in various departments.

INTERNAL | New faces, new perspectives - Welcome to the team!

Genetics

Anna-Sophie Ritterswürden - Junior Geneticist with effect from November 1st, 2024.

Anna completed her bachelor's degree in agricultural sciences at the Fachhochschule Südwestfalen. She did a five-week internship in the genetics department in summer 2023.

Mónica Mora - Research Geneticist with effect from October, 4th, 2024.

Mónica received her master's degree in animal breeding and genetics in Valencia. Just completed her PhD in animal sciences at IRTA (Spain). She will work in the genetics department with the focus on computer vision and machine learning.

Production

Lucas-Emanuel Kersten - Assistant Project Manager with effect from July, 15th, 2024.

Lucas will support the company in operational projects. He successfully passed a commercial apprenticeship as a bank clerk. He then completed his Bachelor's degree in Agricultural Sciences in Göttingen and graduated with a Master's degree in Agribusiness at the University of Hohenheim.

Nick van Bentem - Supply Chain Manger with effect from September, 9th, 2024.

Nick finished his Master's degree in Veterinary Medicine at Utrecht University (the Netherlands) in July 2024, focusing on farm animal health and veterinary public health.

Additionally, he has already successfully completed an internship with us at the beginning of this year in the area of veterinary technical services with a focus on biosecurity.

IT

Michael tom Suden - IT Administration with effect from May, 1st, 2024.

Michael is responsible for IT support and the administration of our IT infrastructure.

Fabian Felix Sult Mourino - Trainee with effect from August 1st, 2024.

Fabian does his apprenticeship as an IT specialist specializing in system integration.

Administration

Katja Engl - Administration with effect from November 1st, 2024.

Katja will take on general administrative tasks, in particular processing of travel expenses reports.
